Subject: Renewal of EASA Part-145 approval
Reference: L6/Rev 1/EASA.145.4250/FAA.B9DR216N
Attachment: EASA Part-145 approval certificate

Dear Sir or Madam,

Following a positive recommendation from the FAA the European Union Aviation Safety Agency hereby confirms the renewed validity of your EASA Part-145 approval until 01 August 2021, subject to continued compliance with FAR 145 and the EASA special conditions in accordance with the Agreement between the United States of America and the European Community on Cooperation in the Regulation of Civil Aviation Safety and the Maintenance Annex Guidance (MAG):

Goodrich Corporation Wheel and Brake Services

EASA Part-145 Approval certificate reference number:

EASA.145.4250

You are reminded that you will be required to submit your next renewal paperwork package in accordance with the MAG which is available on our web site at www.easa.europa.eu.

Yours faithfully,

Karl Specht
U.S. APPROVAL CERTIFICATE

EASA.145.4250

Taking into account the provisions of Article 12 of Regulation (EC) 216/2008 of the European Parliament and of the Council and the bilateral agreement currently in force between the European Community and the Government of the United States of America, the European Union Aviation Safety Agency (EASA) hereby certifies:

Goodrich Corporation Wheel and Brake Services

FAA NUMBER: 89DR216N
7016 Pueblo Street, Suite B
Wichita, Kansas 67209
United States of America

as a Part-145 maintenance organization approved to maintain the products listed in the FAA Air Agency Certificate and associated Operations Specifications and issue related certificates of release to service using the above reference, subject to the following conditions:

1. The scope of the approval is limited to that specified on the 14 CFR part 145 repair station Air Agency Certificate, and the associated Operations Specifications for work carried out in the United States (unless otherwise agreed in a particular case by EASA).

2. The approval scope shall not exceed the permitted EASA Part-145 ratings as detailed in Regulation EC (No) 1321/2014.

3. This approval requires continued compliance with 14 CFR part 145 and the differences as specified in the Maintenance Annex Guidance (MAG), including the use of the FAA Form 8130-3 for release/return to service of components up to and including power plants.

5. Subject to compliance with the foregoing conditions, this approval shall remain valid until:

01 August 2021

unless the approval is surrendered, superseded, suspended or revoked.

Date of issue: 10 July 2019

Signed

For EASA
